1. Collect your container from Mrs van Wyk;

2. Think about the packaging and what you want your product to be;
3. Decide on a product and plan design elements for your packaging:
 - Colours
 - Logo
 - Function
 - Communication and creativity are important in this step;
4. Create a prototype using your container. Cover in coloured paper, images or other ideas you come up with during your planning;
5. Submit your design to Mrs van Wyk in the Library by Monday 9 March.
